About

Zolon is a minority owned MBE certified business, recognized as a Top 100 Minority Business Enterprise by the City of Baltimore in 2013, focuses on delivering contingent staffing solutions tailored to Healthcare Payers and Providers with centralized procurement processes. With over 20 years of experience, we have successfully served both internal and external Managed Service Provider (MSP) clients. Our adaptive recruiting model, grounded in metrics, consistently enhances performance to the benefit of our clientele.

Our track record showcases our expertise and successful history of assisting major clients, including but not limited to CareFirst BCBS, Independence BlueCross BlueShield, AmeriHealth Caritas, Catalent Pharma, Genentech, Apple Inc., BAE Systems, SunGard Availability Services, Raytheon Corp., Lockheed Martin, SAIC, Siemens, and numerous others.

Zolon Experience with VMS

Our company's inclusion in multiple Supplier Advisory Panels and close collaboration across VMS companies is testament to our thought leadership in this area. Additionally, we've built expertise on a variety of VMS tools such as FieldGlass, Beeline, ProcureStaff, IQNavigator, ManageRight, Acceleration VMS, PeopleFluent, XRM and several proprietary systems.
